Landscaping Resources

We have a variety of resources to help you reimagine your landscape, as well as water-saving rebates, and more!

Top 100 SCV-Friendly Plants

We've curated the top 100 plants, trees, shrubs and succulents suited to SCV's climate that are also drought tolerant. They are attractive, easy to maintain over the long-term, and available at your local nursery.

Steps to Replace Your Lawn Booklet

Learn how to remove your lawn and replace it with colorful and water-efficient alternatives!

SantaClaritaGardens.com

Looking for plants for your landscape? Explore beautiful, sustainable, climate-appropriate, and drought-tolerant plants, trees, and grasses that thrive in the SCV.

Virtual Workshop Recordings

Previous online workshops are recorded and available on our website. Find the list of workshops at yourSCVwater.com/landscape-workshops.

Landscape Rebate Programs

Smart Controller Rebate – Save up to \$150 on a qualifying device.

HELP (Healthy and Efficient Landscapes Program) – Convert to drip irrigation; upgrade to high-efficiency nozzles and pressure regulation or do both! Rebates up to \$750 per account.

Soil Moisture Sensor Rebate – Rebates up to \$150 per account.

Lawn Replacement Program – Save up to \$3 per square foot of lawn replaced.
